

# COMP 20: Where To Go

- ① Where do you go from here:
  - Infrastructure + standards
  - Objects + first class tns
  - Internet + networking
  - Engineering side of the web
  - Security
  - Programming skills
  - Concurrent users
  - <sup>UI</sup> Mobile
- ② The real message of this class: what you could do, intellectual curiosity
- ③ Your portfolio
- ④ Semester group project
- ⑤ Personal thoughts
- ⑥ Course evals
